As a result of inordinate delays in funding commitments for all our 2003-2004 (Year 6) and 2004-2005 (Year 7) applications, our work timetables were seriously jeopardized and compromised. As well, throughout this trying period, we have also had to contend with vendors going out of business, SPIN changes, and Service Substitutions Requests - just to update all that should have been done according to normal scheduling.

Consequently, we must now also request **INVOICE DEADLINE EXTENSIONS** for the invoices affected by the foresaid explanation. This now is impacting our vendors. Attached, please find the list of the Applications and FRNs for the Invoices that require this action.

Thanking you in advance for your consideration and expedience of action.
